Cortado for BlackBerry and Documents To Go

Makes the BlackBerry® smartphone a complete workstation – eliminating laptops!

DataViz
Compatibility. Instantly.

Documents To Go
Featuring InTact Technology™

» Leaving your office or laptop behind does not mean leaving your important files behind!

Cortado users have access to

- Network drives
- Online storage
- Document Management Systems
- SAP Enterprise Portal and Microsoft SharePoint
- Flexible output options, such as printing and faxing

Just like a
desktop
workstation

Documents To Go Premium Edition enables users to

- View
- Edit
- Create Microsoft Word®, Excel® and PowerPoint® files and attachments⁽¹⁾
- View Adobe® PDF files using the bonus application PDF To Go®

» Together, we deliver desktop productivity directly to a BlackBerry smartphone!

Solution Benefits:

- Always have updated information onsite and the option to edit while mobile
- Access, fax, print, present, create and edit documents and files even from remote locations
- Respond to e-mails that require information from your corporate network
- Increase employee productivity
- Save transportation cost and time
- Decrease back office work

Enterprise Solution: Cortado Corporate Server for BlackBerry with Documents To Go
