

How to forward Google Mail

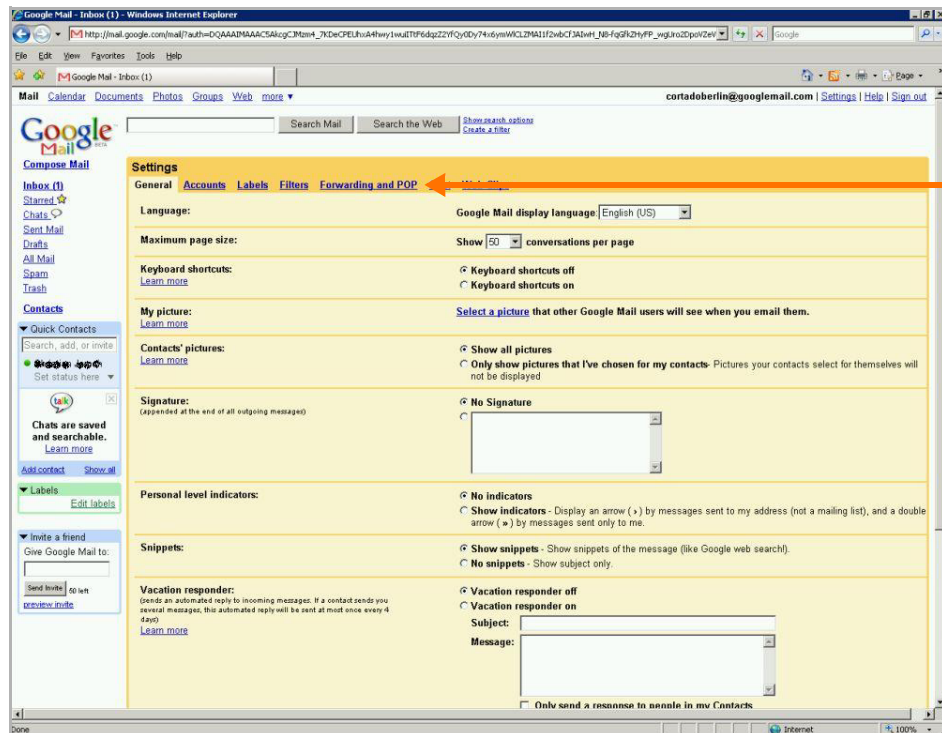

Please perform the following steps to forward your **Google** Mails to your Cortado account.

Go to <http://www.gmail.com> and log in to your Google Mail account. Select **SET-TINGS** then (Illus. 1).

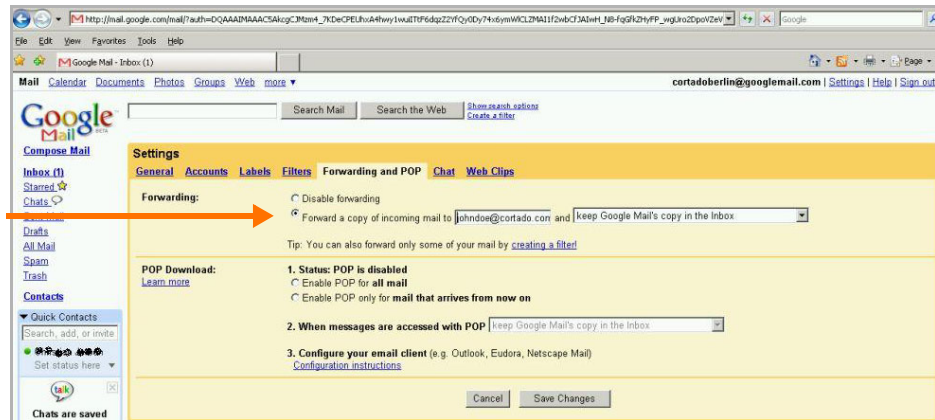

Illus. 1 Google Mail account

Now select the **FORWARDING AND POP** tap (Illus. 2).

Illus. 2 Selecting FORWARDING AND POP

Enable the function FORWARD A COPY OF INCOMING MAIL TO and enter your Cortado e-mail address. Afterwards click SAVE CHANGES (Illus. 3).

Illus. 3 Forwarding enabled

Finished! All your Google e-mails will be forwarded to your Cortado account.
