### About Cortado

Cortado offers one-stop mobile business software solutions and professional hosting services for all of today's mobile demands. The services offered range from Hosted Exchange and professional e-mail and PIM services with innovative push mail capability to the truly unique Cortado Enterprise Solutions and Premium Services. Cortado products, both in-house solutions and hosted premium services, allow you to manage documents and flexibly send them to all established mobile platforms. Our goal is to provide complete mobility and independence from location-bound workplaces and computer-based communication methods.
