CeBIT 2010:

Cloud To Go

Cortado's Cloud solutions can be demoed at this year's CeBIT

(Berlin/Hannover, March 2010) Cortado, the mobile division of ThinPrint, will present at this year's CeBIT (hall 3, stand A24) a range of innovative cloud solutions that can be tested and used right at our stand.

Services available to demo include:

Cortado Workplace: the free Cloud Storage and first worldwide Cloud Printing solution for BlackBerry smartphones, Google Android smartphones and iPhones. More information is available at www.cortado.com/workplace.

BlackBerry Hosting: The Complete Exchange 2007 Mailbox Package with BlackBerry Enterprise option. Enables real-time synchronization of e-mails (push mail), contacts, appointments and tasks with the BlackBerry smartphone. Including Outlook 2007 and Entourage 2008 for complete local access to your e-mail account. Further information can be found at www.cortado.com/blackberry.

Microsoft Hosted Exchange: professional mailbox packages tailor-made for all user group types, hosted in Germany. Find more at www.cortado.com/exchange.

"With our solutions, the Cloud is no longer just theory but reachable for individual users as well as enterprises, allowing them to get started, and more importantly allowing them to enjoy the many advantages the Cloud has to offer," states Dirk Löwenberg, Online Services Director. "Our web applications are scalable, thus making them ideal for single users up to large corporations."

Cortado. A Division of ThinPrint

Cortado, as an independently acting division, combines the total mobile computing competence of ThinPrint AG and offers one-stop mobile business software solutions and professional hosting services for all of today's mobile demands. The services on offer encompass the entire range from Hosted Exchange and professional e-mail and PIM services with innovative push mail capability to the truly unique Cortado Enterprise Solutions and Premium Services, which turn your mobile device into a fully-fledged workstation. Cortado products, both in-house solutions and hosted premium services, allow you to manage documents and flexibly send them to all established mobile platforms. Security-certified hosting centers in Germany, the USA, and the Pacific region guarantee high availability and security for all hosted Cortado services. Along with its free-of-charge services under Cortado Free, Cortado offers mobile freedom and increases productivity for consumers, prosumers, and companies. Our goal is to provide complete mobility and independence from location-bound workplaces and computer-based communication methods. With the extensive experience of ThinPrint AG and its international presence with offices in the USA and Australia, Cortado operates globally. As a Microsoft Gold Certified Partner, Nokia Forum Pro member, and member of the BlackBerry Alliance Program, as well as working closely with over 20 carriers worldwide, including T-Mobile, Vodafone, Telefonica, Orange, Hutchison 3G, Cingular and Verizon, Cortado is the competent and professional partner and service provider for meeting the demands of mobile business and private users. A global partner network supports the international availability of Cortado offerings.
